2026-27
ECT YEAR TWO SEMINARS
Version 2

DATES AND LOCATIONS

Please note that proposed dates are subject to change.

SEMINAR ATTENDANCE

Attendance at ECT seminars is a compulsory part of the programme and plays a key role in supporting professional development. In the event that an ECT is unable to attend a scheduled seminar due to **exceptional circumstances**, they should let the following people know via email as soon as possible:

- their own school's induction tutor
- the seminar lead facilitator, and
- the Xavier ECTE team (TeachingSchoolHub@xaviercet.org.uk)

Exceptional circumstances may include, but are not limited to, residential trips, parents' evenings, or illness.

Where it is not possible to attend a seminar at the usual training location, ECTs are encouraged, wherever possible, to attend the same seminar at an alternative venue on a different day within the same week. In such circumstances, ECTs are asked to email the Xavier team to let them know where they will be attending, so that the relevant facilitator can be informed to expect them.
