

examples

This page will support you in preparing for your upcoming seminar so that you can make the most of your time during the session.

In your upcoming seminar you will explore:

- how to strengthen the quality of your explanations using examples and non-examples

Prior to your seminar, ensure you have completed:

- [Explanations and modelling](#)

Important!

During the seminar you will need:

- a pen and paper, or a device for note taking
- to have considered common misconceptions in your subject/phase and what may cause the misconception
- a concept you have identified that you will soon teach
- access to a medium-term plan

If your seminars are delivered via Teach First direct delivery you can access the seminar slides here **one week prior** to your seminar.

If your seminars are delivered by one of our delivery partners they will provide access to the seminar slides in line with their delivery schedule.
