

Submitting your survey on Brightspace

The window to complete a short survey about how you're finding the programme so far will soon be opening.

The survey will be housed within Unit 1 of **Development Cycle 4**.

See the following steps to learn how to submit your survey on Brightspace.

Step 1

Within **Development Cycle 4**, you will find that you are only able to see Unit 1 and the content within it.

This is because you will need to complete the mentor survey to release the rest of the module.

Step 2

Simply click on **“Complete the survey now”** and follow the instructions to respond and complete the mentor survey.

Once finished, ensure you click, **“submit survey”** at the bottom of the survey.

This will then reveal the rest of the module for you to engage with.

Before beginning development cycle four...

Important!

Please complete the short survey about how you're finding the programme so far. Once you have submitted your responses to the survey, you should then be able to continue through the rest of the module.

You must ensure that you click the 'Submit' button at the bottom of the survey when you are finished. Even if you do not wish to complete all of the questions, you still need to click submit so your responses are captured. This will then release the rest of the module for you.
