

Seminar 2: Supporting pupils to think critically

This page will support you in preparing for your upcoming seminar so that you can make the most of your time during the session.

In your upcoming seminar you will explore:

- why pupils need an understanding of knowledge within a specified area when asked to think critically
- how to identify when and how pupils are asked to think critically within subject and phases
- opportunities in your scheme of work that will support pupils to think critically
- how to support pupils to apply learning to new situations

Prior to your seminar ensure you have completed:

- [Identifying concepts, knowledge and skills](#)
- [Sequencing, teaching and learning](#)
- [Supporting pupils to build increasingly complex mental models](#)

Important!

During the seminar you will need:

- a pen and paper, or a device for note taking
- the scheme of work you have created or adapted

If your seminars are delivered via Teach First direct delivery you can access the seminar slides here **one week prior** to your seminar.
