

## 2023-24 ECT YEAR TWO SEMINARS

Version 6

### DATES AND LOCATIONS

Please note that proposed dates are subject to change. All seminars will be delivered face-to-face, unless otherwise indicated.

### SEMINAR ATTENDANCE

It is an expectation that ECTs will attend all seminars, as this is an important part of their training. If, in exceptional circumstances, an ECT cannot attend a particular seminar, they should inform

- their school's induction tutor
- the seminar facilitator
- Xavier ([ecfattendance@xaviercet.org.uk](mailto:ecfattendance@xaviercet.org.uk))

In such circumstances, Primary ECTs, and Secondary/Sixth Form ECTs in English and Science, should make every effort to attend the seminar on a different date at any of the available locations. Alison Maingard ([a.maingard@xaviercet.org.uk](mailto:a.maingard@xaviercet.org.uk)), the ECT Year 2 administrator at Xavier, will be pleased to help ECTs to arrange this.

### SEMINAR TOPICS

Development Cycle 1 seminar	Developing pupils' intrinsic motivation
Development Cycle 2 seminar	Supporting pupils to develop subject-specific skills
Development Cycle 3 seminar	Using meaningful and memorable explanations
Development Cycle 4 seminar	Anticipating and addressing common misconceptions
Development Cycle 5 seminar	Using structured talk to develop pupils' literacy
Development Cycle 6 seminar	Developing a coherent curriculum
